

To Whom It May Concern:

Grant Geddes has moved and packed many things for my clients. Among those items were a large collection of Steuben glass, Chinese export porcelains, fragile antiques, fine paintings and mirrors, and a Steinway piano. Nothing has ever been broken.

He is a polite, friendly, thoughtful and professional with a marvelous sense of humor. He is a hard worker and fast while, at the same time, very careful with others' property.

I hope you will consider him for your business and personal needs.

Sincerely,

Carolyn Pesnell
